Dear Sir:

In response to the Office Action mailed July 21, 2003, applicants elect, with traverse, Species 1, associated with Claims 1 & 2, described as specific varied chemical composition of the anode/cathode.

Applicant believes that a full and complete response has been made to the outstanding Office Action. Accordingly, prompt and favorable consideration of this response is respectfully requested. If the Examiner believes that personal communication will expedite prosecution of this application, he is invited to telephone the undersigned at (248) 813-1214.

Respectfully submitted,

Jimmy L. Funke - Reg. No. 34,166
